Student Worker   AUGUST 2013 – MAY 2014

- Assisted users with the computers and other library equipment.
- Organized and located books and other material for easier access to the users.

Skills and Interests

- **Video game development**: Tinkered with programming and design of video games for more than 10 years. Used programs such as RPG Maker, Game Maker, and Unity to create small games.
- **Web development**: Designed and coded a dynamic website with HTML, CSS, JavaScript, PHP, and SQL.
- **Microsoft Visual Studio**: Used extensively to created small console programs in C#, C++, and Assembly x86.
- **Microsoft Visio**: Created charts, graphs, and mock-ups for a design document for an unreleased mobile app.
- **Outdoor activities**: Casual cyclist and hiker. Most recent hiking locations were Joshua Tree National Park and Death Valley.
- **Bilingual**: Fluent in English and Spanish.
